

Great things come in small packages

GREEN TREE 1986

GREEN TREE '86

Marie Mills, Bob Crump, and Harold Mills break the ground for Sutherlin Academy.

In early 1970, a group of parents envisioned a school where their children would receive a strong academic background. On February 10, these dedicated, hard-working people began many meetings to organize this institution which became William T. Sutherlin Academy. After land was procured, these determined patrons began the hard work of making their dream come true. With the help of some of the patrons who were contractors, construction began. Men, women, and children helped in laying blocks and painting rooms.

With the first day of school approaching quickly and the construction not quite complete, the Shermont Baptist Church generously offered the use of their building until the school was complete. A few weeks later, the first classes were held in the present building of William T. Sutherlin Academy.

ONE GREAT THING

The 1986 Green Tree Staff proudly dedicates the 1986 edition of the Green Tree to a lady who is herself dedicated. She is not only a dedicated teacher, she is also a dedicated wife and mother.

Mrs. Penny has been teaching at Sutherlin Academy for the past thirteen years. During this time, she has helped train many children into fine young men and women.

It is indeed a pleasure to dedicate this edition of the Green Tree to a lady we all admire and love, Mrs. Patricia Penny.

NOT TOO SMALL

Superlatives

Although Sutherlin is a small school, it's not too small to have the best. Superlatives have been an annual event for Sutherlin for the past several years. The students enjoy knowing who is the best looking, the smartest, or the biggest clown. These students, who have been chosen by the student body, are just a sample of what the students at Sutherlin are really like, EXTRAORDINARY!!

OFFICE

This new school year has brought with it many changes. One of the most important changes is our new administrator, Mrs. Teresa Stegall, and the new assistant administrator, Mrs. Marguerite Law. We commend them for their hard work and thank them for the long hours spent in our behalf. We feel fortunate to have their experience put to use at Sutherlin, as we all strive to make our school an enriching and uplifting place in which to learn. We also commend Mrs. Quisenberry, the school secretary, for the outstanding work she has done. We feel fortunate once again to have such a lady in the front office. Over and over, we are reminded of her value as we watch her patiently and kindly greeting all who enter our school. Mrs. Hall is also a necessity in the office. She keeps the bills paid and the money straight. She always knows how much money Sutherlin has and how much we can spend. Our budget would not be the same without her. Indeed, this combination in our office has been and will continue to be a great assest to our school.

A major responsibility of the Board of Trustees is reflected in the word **trustee** for the school is in fact held in trust. The trustees have in their custody the integrity of institution, its standing, and reputation. They hold in trust its future as well as its present, and their collective judgement will affect it as an institution of service to the constituents who are to come. The trustees have three primary areas of responsibility. First, they all set basic policies which include the educational policy of the school, the scale of tuition payments, the salary, etc. . . Secondly, they have the responsibility for the physical property of the school, for the raising of funds necessary to provide the needed physical facilities and for the satisfactory management of the school's operating funds. Thirdly, the trustees set the direction the school should take in order to accomplish its long-range objectives. It is the responsibility of the Administrator to carry out the policies established by the board and to serve as the professional educational leader for the school which literally includes the international administration of the school.

Our objectives are: 1. to make Sutherlin the best possible private school, 2. to promote cooperation and good-will among the students, teachers, and parents, 3. to encourage prospective students to enroll at Sutherlin, and 4. to organize and assist in fund raising activities in order to keep tuition as low as possible.

HOLMES GLENN HUNT

Oh, I have slipped the surley bonds of earth
And danced the skies on laughter-silvered
wings;
Sunward I've climbed, and joined the
tumbling mirth
Of sun-split clouds and done a hundred
things
You have not dreamed of wheeled and
soared and swung
High in the sunlit silence. Hovering there,
I've chased the shouting wind along, and flung
My eager craft through footless halls of air.
Up, up the long, delirious, burning blue
I've topped the windswept heights with
easy grace
Where never lark, or even eagle flew.
And, while with silent, lifting mind I've trod
The high, untrespassed sanctity of space,
Put out my hand, and touched the face of
God.

"A Chance"

How often we wish
for another chance
to make a fresh
beginning, A chance
to blot out our mistakes
and change
failure into winning —
And it does not take
a special time to make
a brand new start.
It only takes the deep
desire to try with all
your heart, to live a
little better, and to
always be forgiving,
And to add a little
"sunshine" to the world
in which we're living —
So never give up in
despair and think that you
are through, For there's
always a tomorrow and a
chance to start anew.

"Oh, what beautiful dolls."

TRUST

Sure, it takes a lot of courage
To put things in God's hands,
To give ourselves completely,
Our lives, our hopes, our plans.
To follow where He leads us
And make His will our own,
But all it takes is foolishness
To go the way alone.

Be Strong!
We are not here to play, to dream,
to drift;
We have hard work to do, and
loads to lift;
Shun not the struggle-face it;
'tis God's gift.

Be Strong!
Say not, "The days are evil.
Who's to blame?"
And fold the hands and
acquiesce — oh shame!
Stand up, speak out, and bravely,
in God's name.

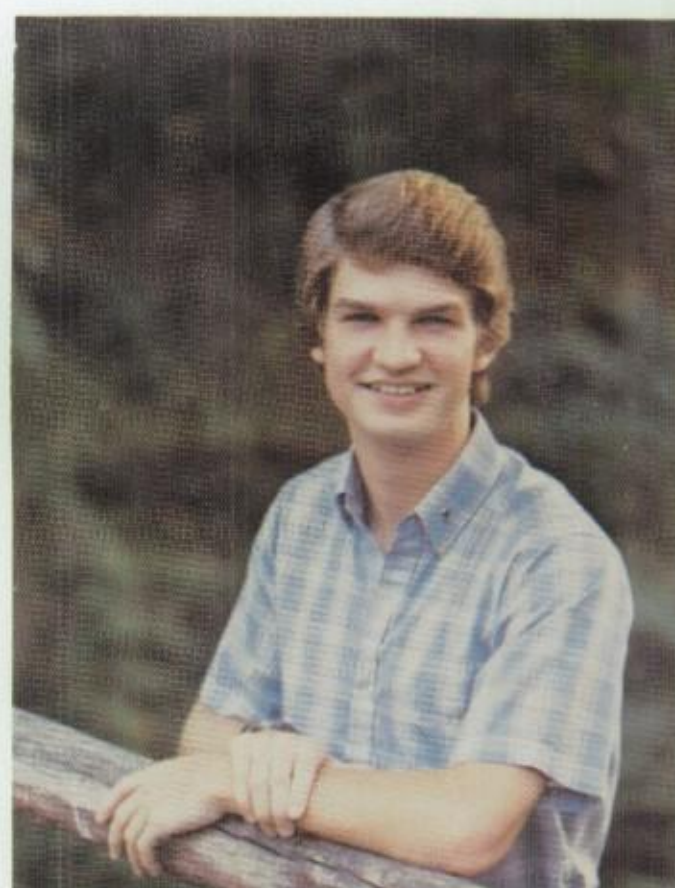

Be Strong!
It matters not how deep
intrenched the wrong,
How hard the battle goes on,
the day how long;
Faint not — fight on! Tomorrow
comes the song.

CHAPEL

A Small Moment for Reflections

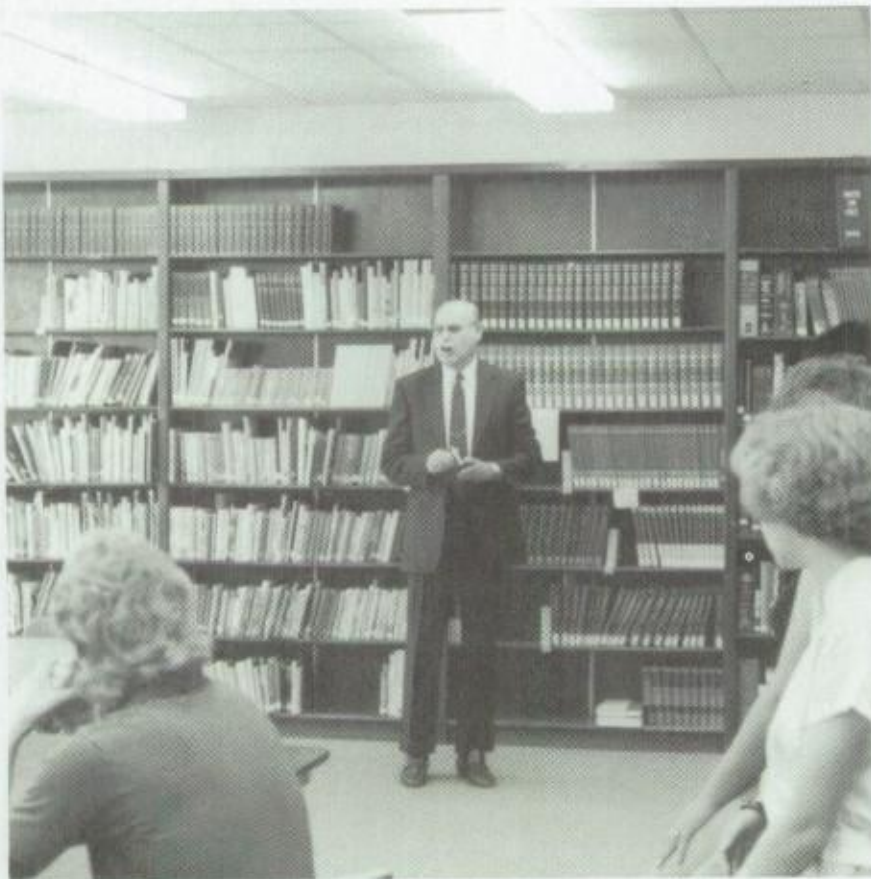

Mr. Wilson delivers his message to the high school.

This year, we are doing our chapel proceedings differently. Each Wednesday, we invite a pastor of one of our students to come deliver a message of devotion to our high school. We are very pleased with this addition and feel that it is very worthwhile.

Sutherlin held it's annual Fun Night and Stew fund raiser. Fun Night was held on November 1, and the Stew was held the following day. Some of the biggest attractions at this year's Fun Night were the Haunted House, the Great Pumpkin, games and other events. It was truly a hair-raising experience!

The Stew had an excellent turnout this year. The stew was ready to be sold at 12 noon, and completely sold out by 4:00 p.m. We raised approximately \$3,200 from the Stew and the bake sale brought in \$600 more.

CHRISTMAS

WE CELEBRATE IT IN A BIG WAY

What is Christmas without tinsel on the tree and presents underneath?

Todd Reagan and Michael Anderson carry in the additional "goodies" to go underneath the tree.

Christmas season at Sutherlin Academy this year was more elaborate than those of past years. The Drama Club wrote and performed a play, "A Christmas Eve", which expressed the true meaning of Christmas with the traditional scene including Joseph and Mary. The Home Economics class boosted the Christmas spirit by decorating a Christmas tree for the school and hosting a party for the school students and teachers. The kindergarten class studied Christmas around the world. Each day as they napped, Santa Claus visited their classroom and left "goodies" for each student.

In keeping with the true meaning of Christmas, Sutherlin demonstrated that it is better to give than to receive. The school sponsored a needy family in hopes that they would have a more joyful and prosperous Christmas.

Mrs. Kelton and Mrs. Hall serve a special Christmas lunch to the elementary students.

"He knows if you've been bad or good." There's nothing Santa likes better than watching Sutherlin's good boys and girls.

Lynn Williams and Todd Reagan examine the Christmas gifts.

BEAUTY IS NOT SMALL IN

In 1985, Sutherlin Academy held its first basketball homecoming. Originally, the alumni basketball game, presentation of the Homecoming Queen and Court, and Homecoming Dance were planned for December 20, but because of bad weather, the alumni game was cancelled and the dance was rescheduled for December 21.

At the dance, the members of the Homecoming Court and the three candidates for Homecoming Queen were escorted into the library. As their names were announced, each member of the Court was given a white carnation. The Homecoming Court, selected by the underschool, consisted of two sophomores, Penny Baker and Helen Leggett, and two juniors, Connie Childress and Sarah Hall. The three representatives of the senior class were Maria Brann, Jennifer Bryant, and Mary Shelton. From these candidates, Jennifer Bryant was crowned as the Homecoming Queen by Mrs. Teresa Stegall, the administrator. She was also presented with flowers from the Captain of the boy's basketball team, Jonathan Bowling.

This first annual Homecoming should serve to unite the student body and bring back many happy memories for the alumni.

COUNTY FAIR '85

"The Biggest Little Event in Danville"

Sutherlin Academy held their fifteenth annual County Fair this spring at Neal's Warehouse. This is the largest fund raising event held by our school. At this event, each individual class has their own game booth. The activities vary from a Wheel of Fortune to the Pepsi Ring Toss to the Basketball Shoot, and many more.

A new addition to the County Fair this year was the Fashion Show. But, our traditional festivities, such as an auction, and a Bar-B-Q, still remain. Starting at 8:00 p.m., the live band, City Heat, started playing music for the dance. We hope to continue to add new attractions to our Fair each year.

THE PROM

"Our Fancy Little Dance"

On May 18, 1985, Sutherlin Academy held its second annual Junior-Senior Prom. The prom took place in the gym from 9:00 p.m. until 1:00 a.m. The chosen color scheme was lavender, medium blue, light green, and yellow. The theme of the prom, which is chosen by the seniors, was "Almost Paradise". During introductions each senior was given a long-stemmed red rose. Senior girls wore traditional white gowns, and the boys wore black trousers with white dinner jackets.

Prom sponsors were Mrs. Teresa Stegall and Mr. Jim Heffinger. Chaperones were Bill and Pam Kelton, Jim and Marcy Heffinger, Larry and Teresa Stegall. Refreshment tables were decorated by the Home Economics class.

BACCALAUREATE

All headed for refreshments!!!

In June 1985, the senior class of Sutherlin Academy finally reached what they have been striving for, for the past thirteen years . . . graduation! The activities began with the Baccalaureate service which was held at Shermont Baptist Church on Sunday, June 2. Several of the seniors took part in the service. The sermon, "The Greatest Thrill," was given by Reverend Fred Cox. Following the service, everyone was invited to a Headmaster's Reception held in the Fellowship Hall to honor the Class of 1985.

The pastor of Shermont Baptist Church speaks at Baccalaureate.

The Heffingers share their talents with us.

Then, finally, on June 6, the culmination of the past thirteen years was achieved. The 1985 graduation was held in the school gymnasium at 8:00 p.m. on Thursday evening. The address, "Challenges of Tomorrow," was delivered by Charles R. Hawkins, Delegate of the 21st District of Virginia. The seniors then celebrated, but along with their happiness, they were also sad to leave their friends and Sutherlin!

The 1985-86 Sampler Staff works together as a team. They put forth their greatest effort to make our paper the best. This year the staff consists of fewer students than in the past. Although the staff is small, the effort is great. They have proved this by working on the paper beyond class time.

Newspaper staff works to meet their deadline.

This year the Sampler Staff extended to the lower school. The lower school organized a group of Cub Reporters. The Cub Reporters are the lower school students who were elected by their fellow class members. They have the responsibility to report to the newspaper the activities of their class. These students enjoy working with the older staff members and are, at the same time, gaining experience for the years to come.

The Beta Club members are hard working students and are very dedicated to their club.

S.G.A.

"Sutherlin's Little Organizers"

S.G.A. Officers: Glenn Hunt, Robert Keatts, Sarah Hall, Jenni Bryant and Sponsor: Mrs. Otersen.

This past year, like other years, the Student Government Association, sponsored by Mrs. Jennie Otersen, has been successful in bringing the Administrator, Board of Trustees, staff, and student body closer together. With this goal accomplished, the S.G.A. has made it possible for students and teachers to know each other on a one-to-one basis other than the academic platform, the human relationship.

The S.G.A. Co-Presidents, Sarah Hall and Robert Keatts, worked with homeroom representatives and the Administration to organize and produce social activities; while Treasurer, Jennifer Bryant, and Secretary, Glenn Hunt worked with the student body to gather ideas and suggestions for events appealing to everyone. This was done to make the 1985-86 school year easier and more enjoyable for the Staff and students of Sutherlin Academy.

Co-Presidents Sarah and Robert take a small rest.

DRAMA CLUB

The Actors of Today

Top to bottom: Mary Jo Whitlow; Carole Hylton; Charlotte Litzenberg; Sheila Peterson; Missy Wilkins; Jeff Keller; teacher, Mrs. Heffinger; Andy Strader.

The Sutherlin Academy Drama Club has worked very hard this year and produced two plays, "The Haunting of Hathaway House" and "A Christmas Eve". The latter play was written and choreographed by the Drama Club members.

The Drama Club attended a workshop on February 21, at Ferrum College, where they impressed everyone with their performance of "A Christmas Eve". Two of the critics were Professor John Hodgson and Dr. Nellie McClasin. The opinions expressed by these two were very high. This trip was very worthwhile and educational. It really boosted the morale of the Drama Club members.

The members of the Drama Club relax after their exciting performance.

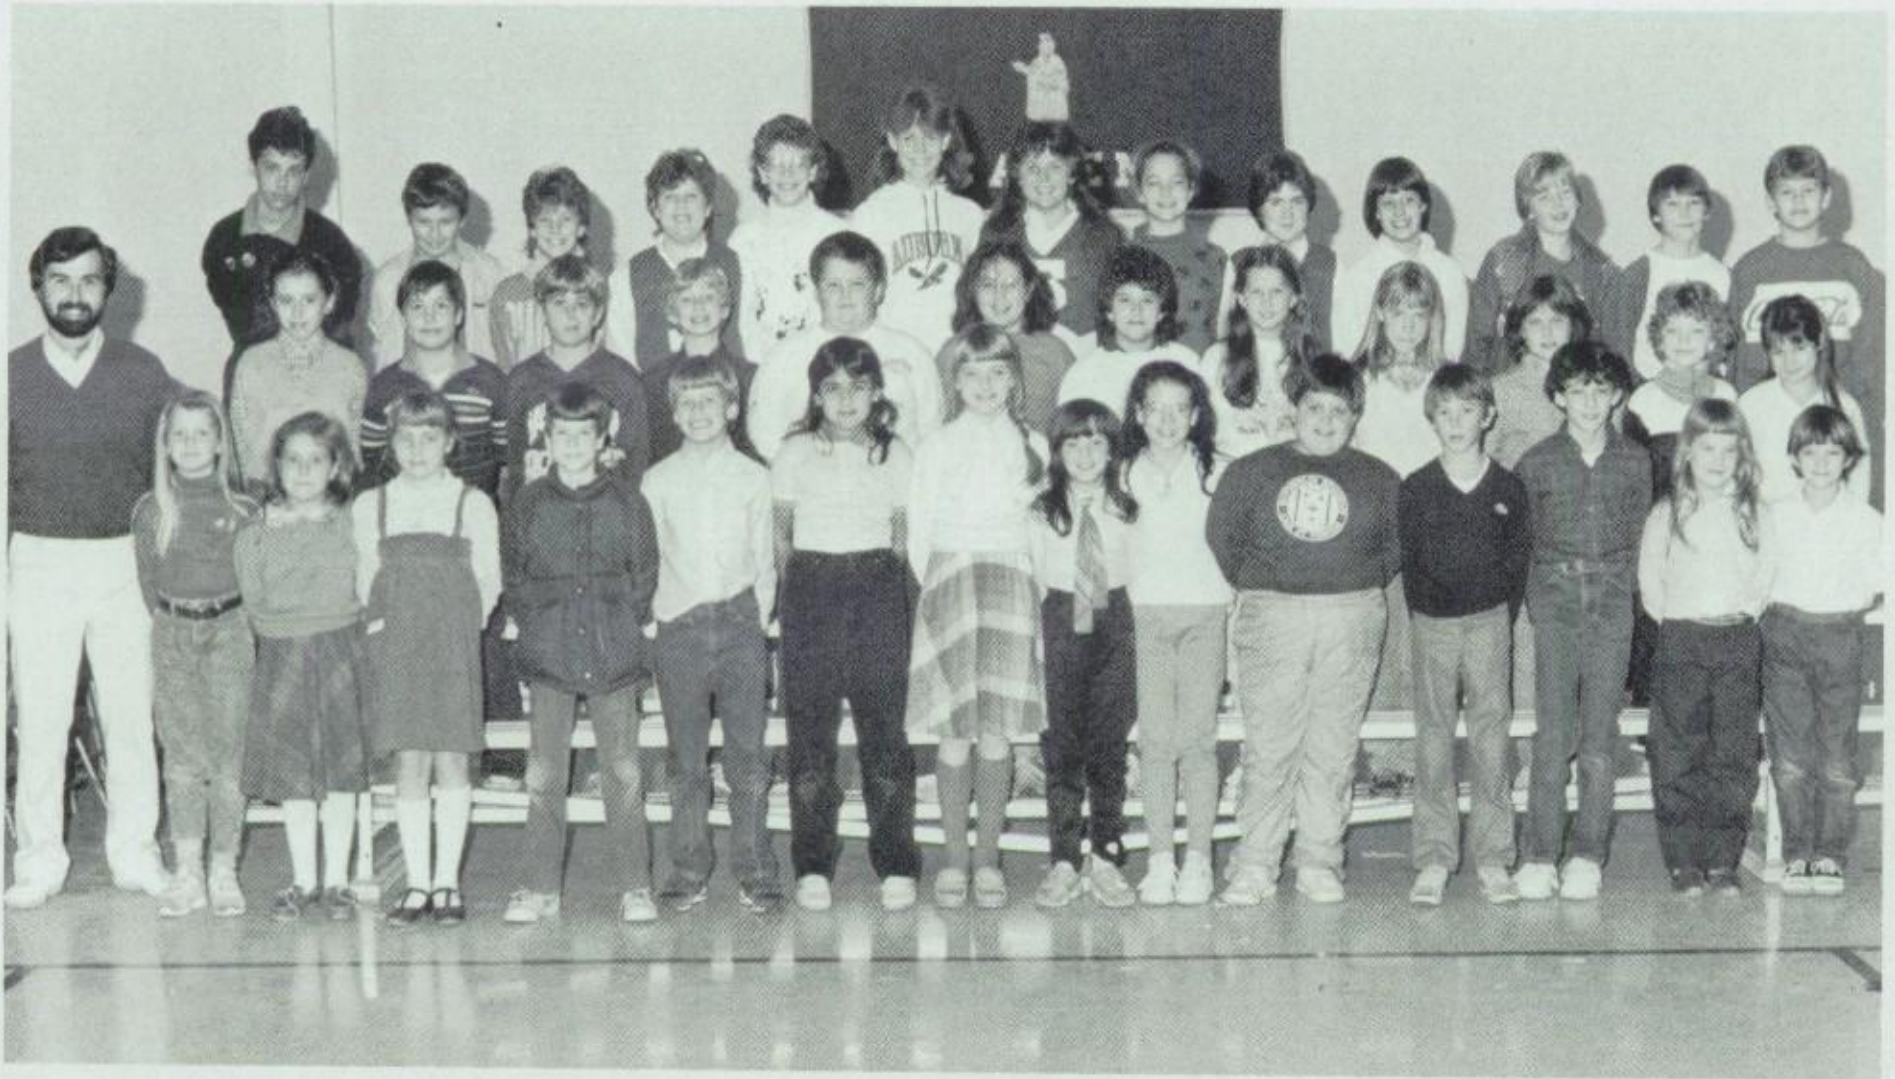

Andy Strader finds himself attached to Sheila Peterson in "Hathaway House".

The Drama Club takes it's bows after a great show.

CHOIR

The Singers of Tomorrow

L to R: 1st row: Donna Davis, Mary Hannah Heffinger, Amy Coleman, Brian Gregory, Frank Holley, Amrapali Shah, Jennifer Cobbs, Jo Ellen Watlington, Courtney Oakes, Brian Boles, Jason Owen, Davey Oakes, Michelle Finney, Amy Dodson; 2nd row: teacher — Mr. Heffinger; Donna Sanders, Vernon Hoosier, James Heffinger, Brandon Laughinghouse, Denny Hancock, Ashley Wyatt, Lesley Shelton, Missy Gynn, Audrey Cocke, Felicia White, Jennifer Kelton; 3rd row: Jeff Thompson, William Joyce, Dana Moore, Tara Haymore, Ashley Hogan, Teresa Hill, Michelle Grant, Jennifer Shelton, Lisa Ighnat, Libby Peatross, Holly Jones, Coleman Hylton, and John Hyatt.

Again this year, Mr. Jim Heffinger is leading classes in music appreciation through a choir and classes in musical history. Mr. Heffinger aroused the interest of his students by introducing different types of music, for example, teaching them to sing music written in Old English.

Mr. Heffinger feels that this year in music is much better than last year. There are forty-five people in the choir and next year, Mr. Heffinger plans to start a band, as well. Also, next year, he plans to involve high school students in more musical endeavors.

In addition to his leadership in group activities, Mr. Heffinger also spends time educating individuals in different areas of musical interests.

It's another day of practice for the choir.

Check out the offense.

This year's soccer team went to a 3-6 season. The team was a young and inexperienced squad, because they had to rebuild from the loss of last year's team captains.

According to Coach Woody Murphy, the team was going to have to hustle and play team ball. Murphy said, "This team has a lot of ability but they are young and need more experience." Although the team may have lacked experience, they were never at a loss for team spirit, especially from team captains Ken Sizer and Jim Bradley. Next year, the team will have that experience. They will only lose three players due to graduation, and the rest of the team will have this year's experiences to add to the new season.

The smiling cheerleaders show off their talents.

Our cheerleaders did a GREAT job this year in cheering for our varsity players. Stephanie Hyatt, Captain, and Jennifer Shelton, Co-Captain, led eleven other cheerleaders and the soccer team through an ardent season of determination. Lanier and Juli Boles, mascots, proved to win the hearts of all. Everyone agrees these fifteen little girls did their best to spur the Knights on to victory.

Forward, Marty Daniel, takes his shot.

Due to the loss of four seniors to graduation, the boys' varsity basketball team is going through a rebuilding process. This year, Jonathan Bowling, a forward, is the only senior on the team. There are three juniors: center, Jim Bradley; guard, Casey Smith; and forward, Jeff Keller. Freshman, Cheng Tu, a guard, is the quickest man, while sophomore, Marty Daniel, a forward, is the biggest. Last, but not least, are Rob Cocke and Steve Dalton, both freshmen, and Mark Milam and Robbie Wagner, ninth graders. These younger players lack experience, but they do their best to contribute to the team. They will hopefully be the key which will put the Knights back on their feet in the upcoming seasons.

Guard, Casey Smith, fires up his famous outside shot.

June concentrates on the basket.

Jenni Bryant successfully shoots over two defensive players.

Even though the Lady Knights are small in number, they still pulled off an excellent season, with eleven wins and three losses. This year the experience of the girls' team allowed them to defeat many powerful opponents. Even in pressure situations, the skills of the Lady Knights usually brought them victory. Because of the versatile talents of the girls, most of the players are able to play many positions.

After the loss of last year's leading scorer to graduation, the other members of the team were able to fill her place. Junior, Sarah Hall, a guard, rose to the occasion to become this year's leading scorer, followed by sophomore, Helen Leggett, also a guard. Seniors, Maria Brann and Mary Shelton, both guards; and Jenni Bryant, a center, were also important parts of the team. Forwards, Laura Criner and Missy Wilkins, also seniors, experienced their first year of basketball and learned a lot. Junior, Connie Childress and sophomores, June Thomas and Holley Milam gave their all to bring the Knights to VICTORY!

PEP CLUB

ANOTHER NAME FOR *SPIRIT*

This year's away games have extra pep and spirit. With the board's permission, several members of the girls basketball team began cheering for the boys after the girls' game. The girls received permission to cheer because it was felt that there was a special need for more school spirit at the away games. These girls, also known as the Pep Club, started cheering so that there would be spirit, and that is exactly what they provided — *SPIRIT!!!*

PEP is what they have!

Aim ...

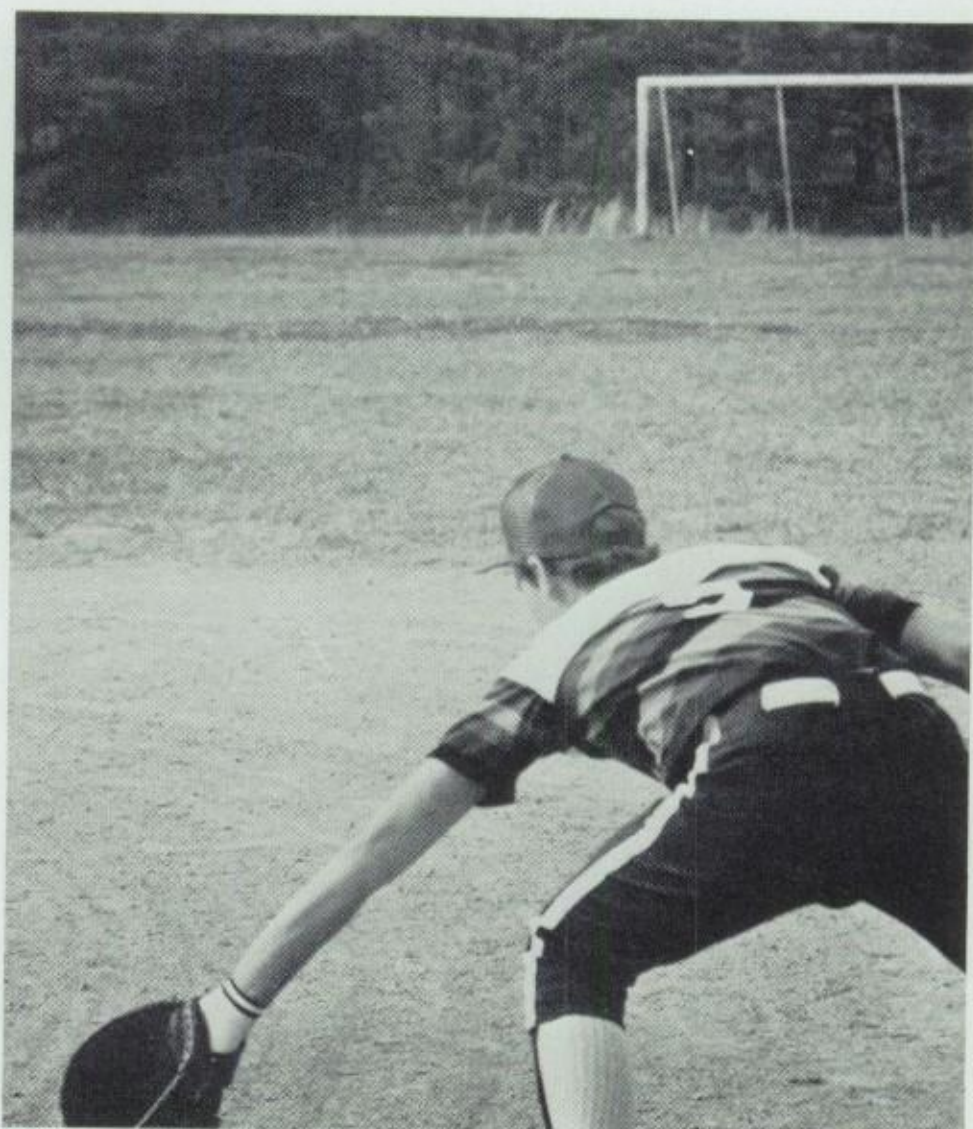

Baseball consists of team effort, whether you are on the bench or out on the field. Everyone has to practice hard and enjoy the sport to make it enjoyable. Coach Woody Murphy did a good job of making this season an exciting one. When you have a good coach and a team that loves the sport, you can't help but have a winning season.

This year, the Lady Squires showed quite a few schools how softball was played. After winning only a few games last season, this season the Lady Squires had a record of 4-3, showing a big improvement over last season. Even though every game was not won, the girls still showed a great amount of ambition and school spirit.

Devon shows determination.

Mary, Maria, and Connie show off their Sutherline sportswear.

One of Sutherlin's best reaches for the stars in Sutherlin apparel.

Mrs. Wilkerson makes her speech during the Sports Banquet.

Behind any successful organization, there must be a group of dedicated and determined individuals. Here at Sutherlin, one example of such an organization is the Booster Club. The Booster Club has been very helpful to the school and the teams.

In order for Sutherlin athletes to have a Sports Banquet, the Booster Club has raised money by selling Sutherlin sweatshirts and t-shirts. They have also run the concession stand during the home ball games.

The Booster Club has also held several raffles. Some of the prizes included a basketball, a softball glove, and several t-shirts and posters. With the money from these raffles, the Booster Club has bought uniforms for the teams and also furnished each player with a Sutherlin athletic bag.

We are all very grateful to the Booster Club for all their help and support throughout the 1985-86
